Alexandria, VA 22313-1450**STATEMENT OF SUBSTANCE OF INTERVIEW**

Sir:

In response to the requirement that a statement of the substance of an interview be placed in the record, Applicants hereby submits the following.

Applicants gratefully acknowledge Examiner Huynk for taking time from her busy schedule to conduct a telephone interview on November 10, 2005, for the above-referenced Application. The interview was courteous and professional, and it is believed by Applicants' representative that prosecution has been advanced because of this interview.

Concerning the substance of the interview, the Examiner indicated that, if Applicants would be willing to cancel claims 20-25, the remaining claims would be in condition for allowance. Although Applicants maintain that these claims are allowable over the prior art of record, Applicants agreed to cancel them for purpose of permitting the remaining claims to pass immediately to allowance. Applicants reserve the right to file a continuation application for these canceled claims, if desired.
